Re: Request for re-mailing the Office Action and restarting the reply period

Dear Sir,

I received an email message from Examiner Timothy Meeks on March 25, 2004, informing us of the wrong serial number (10/604,703 instead of 10/064,703) being quoted on our request, dated Feb. 11, 2004, to remail a non-final Office Action.

I hereby request again to remail the Office Action with the reply period restarted by quoting the correct application serial number : 10/064,703 for the subject case. As stated in our letter dated Feb. 11, 2004, a non-final Rejection was supposed to be mailed on July 9, 2003 according to the PAIR system. The Office Action was never received. Subsequently, a request via phone to resend the Office Action with the reply period restarted was made to Examiner Meeks. The PAIR system indicated the aforesaid non-final rejection was mailed on Sept. 10, 2003, which I still did not receive either. Examiner Meeks indicated that he was unable to fax the Office Action and for me to obtain the Office Action with the reply period restarted, a communication in writing needs to be submitted with the Office providing evidence that the Office Action has never reached us.

Please refer to the enclosures in our previous letter dated Feb. 11, 2004 – a copy of our mail room log book for the periods of July 9, 2003 to August 9, 2003 and September 10, 2003 to October 9, 2003, as the evidence proving no receipt of the aforesaid document.

Thank you for your attention and assistance in this matter. If there is any problem, please feel free to contact me either through fax or email at [belinda@jcipgroup.com.tw](mailto:belinda@jcipgroup.com.tw).

Respectfully Submitted,
